

The Total Group of Companies provides integrated, safety-focused solutions across fire protection, industrial rescue, HSE, turnarounds, training and medical services. Our divisions work together to deliver compliant, reliable, and responsive support for commercial, industrial, municipal, and energy-sector clients.

Why Work with Total Group:

- Single-vendor simplicity and efficiency across fire, rescue, HSE, training and medical services
- Certified personnel and compliant procedures (NFPA, OH&S, manufacturer standards)
- 24/7 availability and centrally located, rapid mobilization
- Multi-province coverage with consistent quality and documentation
